

## Bones in the Badlands

*A dinosaur discovery hike*

### Top 3 Experiences:

Handle fossils from the Late Cretaceous

Visit a real dinosaur bone bed

Hike in a UNESCO World Heritage site

**Grade:** 7-12

**Cost:** \$6/student

**Duration:** 2-2.5 hrs

**Book a program:**  
403.378.4344

*Dinosaur Provincial Park is located 48km NE of Brooks, Alberta*  
[albertaparks.ca/dinosaur](http://albertaparks.ca/dinosaur)

Hike to a bone bed that is populated with Late Cretaceous fossils! Along the way, students will have the opportunity to learn what Dinosaur Provincial Park was like 75 million years ago. Touch fossils and discover how the Badlands we explore today were created.

### **Prepare for the Badlands:**

Classes travelling to Dinosaur Provincial Park should be prepared by wearing closed toed shoes, appropriate layers, and bringing water.

### **Curriculum Outcomes:**

- Life Cycles
- Ecosystems
- Geology
- Investigation

Have a special focus or classroom inquiry? We also offer custom hikes and in-class presentations to meet your needs!
