Book a program:
403.378.4344

Dinosaur Provincial Park is located 48km NE of Brooks, Alberta
albertaparks.ca/dinosaur

Hike through the badlands of Dinosaur Provincial Park. Students will go off trail to find and learn about plants, animals, geology and fossils. Experience Alberta's Late-Cretaceous resource, and how it is a unique outdoor ecosystem.

Prepare for the Badlands:

Classes travelling to Dinosaur Provincial Park should be prepared by wearing closed toed shoes, appropriate layers, and bringing water.

Curriculum Outcomes:

- Outdoor Education
- Ecosystems
- Geology
- PE

Have a special focus or classroom inquiry? We also offer custom hikes and in-class presentations to meet your needs!
